

Shift Team 6 Meeting Minutes

Date: 2/11/2021

Items Discussed and Decisions Made:

- Discussed how meetings will be implemented each week. We decided to keep meeting times to at least 1 hour every week.
- Discussed what kind of app is to be designed (what OS to use)
- Android was the winner of the vote.
- Discussed the IDE or studio to use
- Android Studio was the winner of the vote
- Discussed upcoming meeting topics and what needs to be worked on first.

Action Items:

- Steven will record meetings
- Corey will do research to find the best database
- Cody will begin outlining functionality of the application
- Zach will start implementing the development strategy
- David will look into the design aspects
